TRINITY SCHOOL PARENTS’ ASSOCIATION

All parents and guardians of Trinity students are automatically members of the Parents’ Association (PA) and are encouraged to be active in this vital organization. The PA offers numerous ways in which you can be involved in and connected to the School. Be an active participant in PA meetings, help manage and run events, be a communicator to other parents as a class representative, or join a committee and support the School while working to explore new policies. Even if you can spare only a bit of your time, your contribution is important and valuable to the community.

The Parents’ Association represents and advances the views, interests, and perspectives of parents in the School community; facilitates the integration and education of parents in the expectations, activities, and procedures of the School; lends its support to activities and programs for students and faculty; advances the financial viability and public image of the School; and ensures the security, morality, and well-being of its members. Together we can achieve our common goals of supporting our children, the School, and the entire Trinity community.
COMMUNICATION WITH PARENTS

While the heart of Trinity is the conversation between teacher and students, the conversation between the School and the parents is of equal importance. Trinity values the partnership with parents and seeks to establish the very best communication in support of our students. Below is a list of some of the many ways that Trinity seeks to establish, maintain, and strengthen its relationship with parents.

WINTER FESTIVAL
The annual Winter Festival is a community-run school-wide event filled with fun shopping, great food, homemade treats, carnival games, and lots of entertainment. This annual event is held at Trinity in early December for family, friends, and the local community. Parent-run booths sell a variety of items including holiday gifts, donated or new merchandise, and food items. Activities include entertainment by members of the Trinity community and a carnival for younger children. Proceeds from this event help support financial aid and faculty enrichment.

SPRING BENEFIT
This is a wonderful evening during which Trinity parents, faculty, staff, and alumni can connect with friends and celebrate our community. Each year the PA is responsible for organizing the spring benefit, the major fund-raiser of the organization. In the past, events have included a cabaret-style evening, a classical concert, and auctions. The proceeds from this event support financial aid and faculty enrichment.

MULTICULTURAL FESTIVAL
This event celebrates the rich cultural background of the Trinity community and offers special cultural displays, food from around the world and entertainment. The Multicultural Festival is free of charge and open to the entire Trinity community.

In addition, the Parents’ Association coordinates lectures and meetings that support parents’ needs:

GENERAL PARENTS’ ASSOCIATION MEETINGS
The PA holds general meetings five times per year at which key administrators, faculty, or staff speak to parents on topics important to Trinity families. The talks are usually followed by a question and answer period.

PARENTS’ ASSOCIATION COMMITTEE MEETINGS
The many PA committees schedule meetings throughout the year. Faculty and administrators involved in those committee areas often speak at or attend these meetings. Most committees are open to all parents.

PARENTS’ ASSOCIATION COORDINATED MEETINGS WITH DIVISIONAL PRINCIPALS
Over the course of the year, the PA coordinates several meetings between the divisional principals and grade or class representatives as well as committee cochairs with children in that division.

PARENT TALK™ MEETINGS
Each year, the PA hosts at least one NYC Parents in Action-facilitated parent meeting in our library for Grades One through Eleven.

PARENTS’ ASSOCIATION DIVERSITY COMMITTEE
The diversity committee hosts meetings throughout the year that often include speakers and workshops.

SCHOOL SUPPORT

PARENT AFFINITY GROUPS

The PA Diversity Committee’s mission is to support Trinity School’s efforts in promoting empathy, inclusiveness, and respect. By exploring our differences with each other and helping our children to do the same, we learn what ties us together as human beings. We strive to create a safe haven for voicing our diverse perspectives, and we reject discrimination, intolerance, and bias of any kind.

We acknowledge that the definition of diversity is in constant flux. Currently, diversity within our community is represented by a range of the following identities: culture, ethnicity, physical attributes (including size, accent, and disabilities), learning styles, family structure, gender, national origin, race, age, religion, sexual orientation, and socio-economics.

It is through an awareness of these differences that we strive to raise children to be truly accepting. Furthermore, in order to participate in a highly competitive world, in which diversity is the rule rather than the exception, our children will be better equipped as global citizens if we all (parents, students, and faculty) work together to celebrate each other’s differences with empathy and respect.

As a means for inclusion, and to support an increasingly diverse community, Trinity School recognizes the importance of and supports the creation of parent “affinity” groups. The National Association of Independent Schools defines the term affinity group as a bringing together of people who have something important in common, e.g. race, gender, profession, or special interests. The overarching mission for parent affinity groups at Trinity is to provide a safe space for all participants to identify salient issues and common concerns through dialogue, as well as to support individual voices in bringing about affirmation, fellowship, and connection (networking) thus strengthening each member’s sense of belonging within the larger Trinity community.

Affinity groups already have a significant presence within the Trinity School student community. The Upper School supports students in the Asian Awareness Club, Black Affairs Club, Gay-Straight Alliance, Jewish Affairs Club, Middle Eastern Affairs Club, and South Asian Society. Also, informally, groups of parents have been gathering around common geographic location, religious identity, family structure, and racial identity.

CURRENT PARENT AFFINITY GROUPS INCLUDE:

Asian Affinity Group
African American Affinity Group
Buddhist Affinity Group
Christian Affinity Group
European Affinity Group
Gay and Lesbian Affinity Groups
Jewish Family Affinity Group
Latino Affinity Group
Mindfulness Affinity Group
Multi-Racial Affinity Group
Muslim Family Affinity Group
Parents of Children with Food Allergies Affinity Group
Parents of Children with Learning Differences Affinity Group

South-Asian Affinity Group
Trinity School admits students of any race, color, gender, gender identity or expression, religion, national or ethnic origin, disability, or sexual orientation to all the rights, privileges, programs, and activities generally accorded or made available to students at the School. It does not discriminate on the basis of race, color, gender, gender identity or expression, religion, national or ethnic origin, disability, or sexual orientation in administration of its employment policies, educational policies, admissions policies, financial aid programs, and athletic and other school-administered programs.
