Profile 2018-2019

SCHOOL DESCRIPTION
Trinity is a college preparatory, coed independent day school founded in 1709, grades K-12. Admission is selective and financial aid is given. Trinity is no longer sponsored by a specific religious body, and the Trinity community is characterized by religious, racial and ethnic diversity. The senior class is comprised of 106 students, 24% of whom receive financial aid through the school. The year includes two semesters of approximately 18 weeks. All students take a college preparatory program.

GRADING AND CLASS RANK
Our grading system is A+ through F with grades of A- and higher designated as Honors grades. Our lowest passing grade is D-. Trinity does not rank its students or compute a grade point average. The use of rank or quintile for a group of pre-selected students is thought to be statistically invalid and incomplete. In the spring, a rank is determined for Cum Laude Society eligibility.

ADVANCED PLACEMENT
Trinity School is, over the next two years, stepping away from the AP program. We continue to offer a limited number of courses, but by the 2020-2021 schoolyear, we will abandon such designations entirely. Consequently, the number of AP scores on student transcripts will be severely limited and we will no longer report aggregated AP results.
